RE: Draft Revision to Ground Water
Discharge Permit UGW530001

Dear Mr. Smith:

Enclosed is a copy of the public notice and the draft ground water discharge permit for a pad extension and a new fresh water pond. The notice was sent to the Daily Spectrum on October 27, 1993. We have requested the Daily Spectrum to correct the published error reported to us by Robert Wilson. Please review the amended parts of the permit. If there are no substantitive comments, the permit should be issued shortly thereafter. Should you have questions, please call Mack Croft at 538-6146.

Sincerely,

Larry J. Mize, P.E., Manager
Ground Water Protection Section
